Trois Petits Cochons has launched three terrific new sausages that we tried at this summer's Fancy Food Show. They

are all-natural, hormone- and antibiotic-free, and contain no fillers, by-products, or preservatives. They are available in Chicken Sausage with Apple and Calvados, Turkey Sausage with Wild Mushrooms and Cognac, and Duck Confit Sausage with Port Wine. The sausages can be grilled, sliced over pizza, used in omelets, or served on pasta. For more information, call 800-LES-PATE (537-7283), or visit www.3pigs.com.
